2011 Membership Meeting
NISO Annual Report for 2010

Todd Carpenter
Managing Director, NISO
2010 Membership Meeting Overview

- Status of the Organization
- Financial update
- Standards portfolio
- Training and educational activities
- *Information Standards Quarterly* Open Access
- ISO TC 46 Work
- Open discussion of NISO activities
2011 - Another year of ups and downs

• Tremendous influx of new members
  – +13 new in 2010
  – However, similar losses of members is troubling

• Very active standards development pipeline, presently 17 active project

• Hosted 16 educational events
  – More than 1,000 sites with nearly 4,000 people participating on webinars (Avg of about 4/site)
  – PLUS more than 300 at in person events

January 9, 2011  NISO Annual Membership Meeting
Membership trends – “Stable”

Currently 79 voting members - 31 LSA members
This is up 3 and 3 respectively in total.

However total masks a fair bit of churn.
Many large and long-standing members withdrew
Replaced by even more new large members

We’ve been actively promoting new members when they join
Financial Update

NISO REVENUES

- Sublease Income
- Investment Income
- Workshops/other Revenues
- Publications Revenue/Subscriptions
- Grants
- Dues

- April 12: Mobile Technologies in Libraries
- June 24: NISO/BISG Forum: The Changing Standards Landscape
- October 24-25: The E-books Environment

ISQ Goes Open Access

- Successful redesign in 2009 garnered a lot of attention
- Increased content and expanding scope
- Still unlimited copies to members but ONLY upon request
- Freely available to community
- Print copies still to subscribers
• Work as Secretariat for SC 9
  – Meeting in Sydney in May, Berlin in 2011
  – Considering hosting TC 46 in 2013 or 2014

• Key project highlights
  – ISTC – published and working on adoption
  – DOI - Approved for publication working on RA
  – ISNI – Approved for publication working on RA
  – Thesauri - relatedness work - Part 1 draft published
  – RFID in libraries – FDIS at Ballot
  – Records Management - metadata project published
Goals for 2011

• Continue to expand NISO’s membership
• Release NISO’s strategic plans
• Increase financial reserves
• Continue systematic review of standards portfolio
• Launch a proactive social media strategy to engage community and foster ideas
• Build on organizational ties with other member organizations
• Continue educational program successes with focus on more web-based events
• Improve online presentation of ISQ and monitor transition to Open Access
