- Discussion of Research Data Alliance (RDA) developments
New Work Item Ideas

- Presentation during plenary by Akira Miyazawa (Japan) on a forthcoming New Work Item Proposal for an international standard Item Identifier

- Presentation by Jan Brase (DataCite) on potential work related to identifiers and metadata for scientific data
Sam Oh stepping down

- Professor Oh will be stepping down after 6-years as chair.
- SC 9 Secretariat will nominate a new chair this fall, who will be put forward to TC46 P-Members for approval.

Thank you to Professor Oh for his many contributions.
Question?
Thank you

- Many thanks to our hosts
  - NISO, ANSI, the Library of Congress and the National Archives & Records Administration

- And to our many American colleagues who helped organize this very successful and productive meeting
