ISO Responsibilities

NISO represents US interest to ISO in the areas of Information & Documentation (all of TC 46)

ONLY NISO MEMBERS can submit official US comments on ISO drafts of developing standards

All areas of library/publisher/vendor issues:
  – RFID, ILL, Country Language Codes
  – ISBN, ISSN, DOI, ISRC, ISMN, ISNI, ISTC
  – Bibliographic records, document management

NEW ISO Responsibilities

• In February, NISO assumed the responsibilities as Secretariat TC 46 SC 9
• Partnership with Korea (KATS)
  Key work in development within SC9
  – DOI
  – ISNI
  – ISCI
  – Bibliographic References
  – Structured Vocabularies

Thank you!

Nothing at NISO would get done without the support of our volunteers!
